To whom it may concern:

This is to certify that the Northeast Kingdom Community Church of Island Pond has recorded nine death certificates at the Town Clerk's office in the Town of Brighton.

They have also been registering births since 1985. Those children born before 1985, have acquired Delayed Birth Certificates through the Probate Court.

Dear Atty. Swantko:

In response to Mr. Wiseman's request please be advised since May 20, 1985 ninety-eight (98) Orders establishing individual birth records have been issued by this Court for children born within the community church.

Hopefully this is the data you are seeking.

Yours truly,

Marilyn W. Maxwell
Judge of Probate
